### QUESTIONS TO ASK YOURSELF

What did you learn from religion/church/faith that has shaped your beliefs about gender and sexuality?

Are there beliefs you've held that you have never challenged? Why? What would happen if you did?

When we say "All Means All" during worship on Sunday, what does that mean to you? And how do you live that belief daily?

Thank you for taking the time to learn more about the LGBTQIA+ community and why it matters for the Spirit Garage community. This list is far from exhaustive and there are many more resources you could check out, please do! And keep it going far beyond June. We will be continuing our opportunities for storytelling in the summer, looking at the Spirit Garage mission and welcome statements in the fall, revising and voting on becoming an RIC church in October 2023! Stay tuned!
